---

## EDUCATION

**Frontend Development**
Vocational University (Yrkeshögskola) | 2023 – 2025
Gothenburg, Sweden

**Systemutvecklare (Not completed)**
Högskolan Väst
2022 – 2023
Courses in C#, SQL, software development

**Bachelor's Degree in Graphic Design**
University, Iran | 2005 – 2008

**Diploma in Fine Arts**
Vocational University, Iran
Vocational University Iran | 2003 – 2005

## SKILLS

**Frontend Development:** JavaScript, React, HTML5, CSS3, Tailwind CSS, Storybook, Git, GitHub, Accessibility (WCAG), Responsive Design, Agile/Scrum

**Backend & Cloud**: REST API, .NET, SQL Server, Firebase, Docker

**Design Tools:** Figma, Adobe Photoshop, Illustrator, InDesign

**Workflow & Collaboration:** Git, CI/CD, Docker, Trello, Storybook

**Testing:** Jest, React Testing Library

**API Integration & Security:** OAuth, GoCardless API integration, GDPR compliance

## LANGUAGES

**Swedish • English • Persian**

## INTERESTS

Outside of work, I enjoy staying active through sports, attending concerts, and exploring global cultures through travel and languages. I'm passionate about music (especially rock), cooking, and discovering design trends. I believe that a balance of creativity and physical activity enriches both personal and professional life.

## WORK EXPERIENCE

**Frontend Developer** (Intern)
Arcledi OÜ — Frontend Developer (Intern)
Nov 2024 – May 2025
• Developed reusable, modular UI components using React and Tailwind CSS
• Collaborated in cross-functional Agile teams with designers, backend developers, and PMs
• Introduced Storybook to streamline design-to-code handoff and documentation
• Improved app performance and accessibility across devices and browsers

**Part-Time Teacher**
Göteborg Stad | 2022 – Present
• Planning and delivering lessons tailored to students' needs
• Supporting student learning and engagement

**Leisure-Time Teacher & Student**
Göteborg Stad  2019 – 2022
• Completed courses in Advanced English and Advanced Swedish
• Worked part-time as a leisure-time teacher at Göteborgs Stad during studies.

**UI/UX Designer** (Remote)
Sarzamin Rayaneh | 2016 – 2019
• Created wireframes and interactive prototypes in collaboration with product teams..
• Worked with developers to ensure design consistency and functionality.
• Implemented secure login and onboarding using KindeAuth.

**Graphic Designer**
Various Clients | 2008 – 2016
• Created visual assets for print and digital media including brochures, catalogs, flyers, business cards, banners, and packaging.
• Expert in Adobe Creative Suite (Photoshop, Illustrator, InDesign) and CorelDRAW.
• Specialized in layout design, typography, and brand identity.
• Delivered end-to-end design solutions from concept to print production.
• Collaborated with clients to translate their needs into compelling and functional visual designs.

PROJECT
• BISKS – Personal Finance Dashboard (2025)
• Team project | React.js, Astro, Tailwind CSS, MUI, React Router, .NET, KindeAuth, Jest
•  Developed a full-stack financial dashboard with features including:
   Secure login & onboarding with KindeAuth
• Dynamic dashboards for transactions and account overviews
• Responsive design using a custom hook: useIsMobileView
• Protected routes and state management with context/hooks
• Reusable UI components for layout and data views
• Testing environment set up with Jest and custom mocks
• Modern UI/UX using Tailwind CSS and Material UI
• Custom-built debug mode for developer authentication flow

## OTHERS

**Driver's License:** Yes

**Additional Courses (Hermods / Högskolan Väst):**
• Svenska som andraspråk 1–3
• English 5–6
• Programmering 1
• Webbutveckling 1
• Vetenskapligt skrivande
• Verksamhetsprocesser
• Introduktion till informatik
• C#
